OFFICE OF PETITIONS

In re Application of	:	
DEMIA et al.	:	
Application No. 10/536,477	:	ON PETITION
Filed: 12/08/2005	:	
Attorney Docket No. 979-141	:	

This is a decision on the PETITION TO UNAVOIDABLY ABANDONED APPLICATION UNDER 37 CFR 1.137(B) filed August 7, 2009. As petitioner has paid the petition fee as set forth in 37 CFR 1.17(m) and made a statement of unintentional delay pursuant to 37 CFR 1.137(b)(3), the Office is treating the petition under the unintentional provisions of 37 CFR 1.137(b).

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." No additional petition fee is necessary.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of August 27, 2007, which set a three-month shortened statutory period for response. On January 16, 2008, petitioner submitted an amendment and a request for an extension of time for response within the second month pursuant to 37 CFR 1.136(a) in response to the final Office action. On March 20, 2008, the examiner mailed an Advisory Action, indicating that the amendment filed on January 16, 2008, did not place the application in condition for allowance.¹ Accordingly, the application became abandoned on February 28, 2007. A Notice of Abandonment was mailed on May 14, 2008.

¹ As petitioner asserted that petitioner did not receive a copy of the Advisory Action mailed March 20, 2008, the Office has enclosed a copy with this decision.

On August 7, 2009, petitioner filed the present petition. Petitioner stated that the required reply in the form of a Request for Continued Examination (RCE) accompanied the present petition. However, the Office has no record of receiving a RCE or the requisite RCE fee with the petition or to date.

A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed.
- (2) The petition fee as set forth in 37 CFR 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and
- (4) Any terminal disclaimer (and fee set forth in § 1.20(d)) required pursuant to 37 CFR 1.137(d).

The present petition does not satisfy requirement (1) above.

In a nonprovisional application abandoned for failure to reply to a final action, the reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2)), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2).

With any renewed petition, petitioner must submit a proper reply to the outstanding final Office action.

Further correspondence with respect to this matter should be addressed as follows:

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Advisory Action Before the Filing of an Appeal Brief	Application No. 10/536,477	Applicant(s) DEMIA ET AL.	
	Examiner Thanh X. Luu	Art Unit 2878	

– The MAILING DATE of this communication appears on the cover sheet with the correspondence address –

THE REPLY FILED 1/16/08 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE.

1. ☒ The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods:

- a) ☒ The period for reply expires 3 months from the mailing date of the final rejection.
 b) ☐ The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.

Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).

Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

NOTICE OF APPEAL

2. ☐ The Notice of Appeal was filed on _____. A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a).

AMENDMENTS

3. ☒ The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will not be entered because
 (a) ☒ They raise new issues that would require further consideration and/or search (see NOTE below);
 (b) ☐ They raise the issue of new matter (see NOTE below);
 (c) ☐ They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
 (d) ☐ They present additional claims without canceling a corresponding number of finally rejected claims.

NOTE: See Continuation Sheet. (See 37 CFR 1.116 and 41.33(a)).

4. ☐ The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324).
 5. ☐ Applicant's reply has overcome the following rejection(s): _____.
 6. ☐ Newly proposed or amended claim(s) _____ would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).
 7. ☒ For purposes of appeal, the proposed amendment(s): a) ☒ will not be entered, or b) ☐ will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.
 The status of the claim(s) is (or will be) as follows:
 Claim(s) allowed: _____.
 Claim(s) objected to: _____.
 Claim(s) rejected: 1,2,4-11 and 13.
 Claim(s) withdrawn from consideration: _____.

AFFIDAVIT OR OTHER EVIDENCE

8. ☐ The affidavit or other evidence filed after a final action, but before or on the date of filing a Notice of Appeal will not be entered because applicant failed to provide a showing of good and sufficient reasons why the affidavit or other evidence is necessary and was not earlier presented. See 37 CFR 1.116(e).
 9. ☐ The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1).
 10. ☐ The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached.

REQUEST FOR RECONSIDERATION/OTHER

11. ☐ The request for reconsideration has been considered but does NOT place the application in condition for allowance because: _____.
 12. ☐ Note the attached Information *Disclosure Statement*(s). (PTO/SB/08) Paper No(s). _____
 13. ☐ Other: _____.

/Thanh X Luu/
 Primary Examiner, Art Unit 2878

Continuation of 3. NOTE: Applicant's proposed amendment adds further language requiring further consideration and/or search.
